To be the Leading Global Public Health Institute for the World's Critical Health Challenges Affecting Disadvantaged Communities

### James P Grant School of Public Health

In order to address the unmet public health challenges particular to Asia, Africa and South America BRAC James P Grant School of Public Health was founded in 2004. Institutional partners are:

- BRAC, the world's largest NGO, reaching over 100 million people in Bangladesh and working in 9 countries in Africa and Asia
- icddr,b, a leading international health research institute, which fosters innovation in the development and delivery of global life-saving solutions

### Why MPH at JPGSPH

- A global classroom of learners: 395 graduates across 26 countries
- World class faculty members from international institutions (Harvard University, Stanford University, Liverpool School of Tropical Medicine, Public Health Foundations India, World Bank, University of Dundee, Research Triangle Institute, India)
- Experiential community-immersive learning
- Innovative teaching and learning methodologies
- Multi-stakeholder engagement
- Employable professional skills gained

*(MiattaGbanya, our graduate from Liberia addressed World Health Assembly 2014,*
